Message from Fr. Supervisor

This academic year 2014-15 marks our celebration of the 90th and 95th anniversary of Wah Yan College, Kowloon and Wah Yan College, Hong Kong respectively. We are once again marking these grace-filled anniversaries with a Walkathon, affirming everyone in the Wah Yan community that we are still united, energetic and eager to make a difference for our Wah Yan community, both present and future.

Unlike the past walkathons, we are adopting a different direction this time, marching from the Hong Kong side to the Kowloon side. This represents a symbolic but meaningful change. If we are going to make a difference for our future, we must be willing to imagine it from a different perspective. Nevertheless, we remain rooted in our rich heritage represented by the Walkathon itself.

Today, we will be starting from the new School Hall of Wah Yan College, Hong Kong with a Thanksgiving Mass and completing on the new artificial grass pitch of Wah Yan College, Kowloon. Both items are gifts from our loving and most generous alumni and friends to the two colleges. They are good reminders to us, especially to our current and future students, that our beloved Wah Yans will not have a promising future unless with our selfless contributions.

May God bless us all as abundantly as ever!

Fr. Stephen Chow, S.J.
