## Jesuit Education Forum 2015

Heritage • Culture • Leadership

Wahyanites of different generations have been inspired by the Jesuit Education that they have received. **But what is it about the Jesuit approach that is so inspiring?** To celebrate the Anniversaries of the two Wah Yans, the first ever **Jesuit Education Forum** in Hong Kong will be organized. Participants will be able to understand more about the Society of Jesus and its approach to education through different angles and appreciate the ever increasing relevance of Jesuit Education in the 21<sup>st</sup> Century. With three international heavyweights for the Keynotes and sharing by prominent local leaders and academics in breakout sessions, the Forum promises to be as inspiring as the education Wahyanites have received.

# *Wah Yan One Family Marathon 2015*

**The Wah Yan One Family marathon team has completed the Standard Chartered Hong Kong Marathon on 25 January 2015. Please find the message from Rev Fr Deignan as follows:**

Dear Alumni,

I am very pleased to report to you that our Marathon team of 160 students, alumni, teachers, parents, Jesuits and friends of Wah Yan has successfully completed the SCB Marathon 10km Run on 25<sup>th</sup> January 2015, with a total of \$0.2 million raised from donations thus far. What's more encouraging, two of our runners were ranked top 20 in the Run. It is a difficult task accomplished given the small quota from the Organizer.

Over the years, our Marathon team has raised over \$6 millions to support sports development in the 2 Wah Yans. Hence our Schools have been able to provide professional training to help students pursue new heights in different sports. This year, 12 school sports teams are competing in Division 1 of the Inter-School competitions.

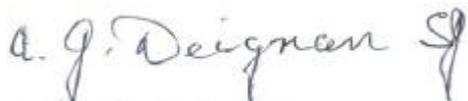

---

Our WYHK Cross-country team had earned a record-high 4<sup>th</sup> place in the Inter-School Cross Country Competition, whilst the WYK Swimming team had won gold medals with new records in the Inter-School Swimming Championships. Our efforts are taking shape.

Now with Wah Yan Kowloon's new football pitch and Wah Yan Hong Kong's new hall as a new platform for all-round sports development, the two Principals and their Sports Masters are trying to embrace all young Wahyanites through a series of focused sport development programmes to achieve **overall student participation**. This is beyond winning medals because we are nurturing compassionate, knowledgeable leaders with good physique, brotherhood, a fighting spirit, and sportsmanship. To do so, our Schools need more than \$1 million each year to continue the provision of professional coaching to galvanize young Wahyanites to discover and develop their talents in sport. Failing to gather sufficient funding would halt the continued development of these young students.

I am therefore appealing to you to support this visionary goal by making donations. Every single dollar will mean a lot to our future leaders. I am also inviting you all to share our joy and photos taken in the Marathon 2015 Campaign by clicking <http://www.wahyanonefamily.org/marathon-2015.html>. Please complete the donation form and send us your gift on or before 31<sup>st</sup> March 2015. You can also call our team managers Victor Ho on 6192-8522 or Enoch Cheung on 6907-8414 to learn more. Our young Wahyanites are running "For and with Others". Let's run together with them!

With gratitude and very best wishes,

Rev Fr Alfred Deignan SJ

Chairman of Wah Yan One Family Foundation

# Inter-School Athletic Meet

The final day of Inter-School Athletic Meet 2014-2015 was held on 13 February 2015. The athletic team of Wah Yan College Kowloon had created 2 new records in 400m Hurdles and 100m Hurdles respectively. Ranking 6<sup>th</sup> out of 16 schools with 143 points overall, our team had a great leap compared to last few years.

In late December 2014, a 6-days pre-competition training camp was held in Zhaoqing of GuangDong Province. This training camp provided a complete and high-quality training, which focused on the weakness of our athletes. Our athletic team was finally strengthened by the training, and the athletes had built up a great team spirit which is crucial for the success in the competition.

The athletic team would organize the pre-competition training camp again in winter 2015. Since the cost is high and not entirely affordable by all of the teammates, the athletic team is therefore looking forward to the support by alumni. Please contact Mr Tse Chun Ming (Class '98), the Sport Master of WYK for more information: [cmtse@wyk.edu.hk](mailto:cmtse@wyk.edu.hk).
