News from school: Gratitude

The windows of the Fathers' Quarters located at 3/F of the Main Building of WYK are 60 years old, most of which are now rusting. Recently, three window glasses fell down onto the carpark. Fortunately, no one was hurt. The school is not authorized to use any government funding to repair such windows since the Fathers' Quarters are not treated as part of the school premises. The Fathers' Community would be held liable if any injuries or damages are caused. In light of the aforesaid, the school had to replace 20 sets of windows at the Fathers' Quarters at the total cost of HK\$90,000.

As initiated by Mr. Stanislaus Keung, WYKPSA has assisted the school to solicit for donations from the alumni. The school is glad to announce that, within two weeks, more than HK\$130,000 of donations have been received from alumni and all windows have been repaired. Father George Zee, S.J. would like to express his gratitude for the donations. The surplus of the donations received will be used for other repairs and maintenance of the Fathers' Quarter of WYK.
