

Dear Wahyanites,

Wah Yan College, Kowloon
Sustainable Development Plan for Sport Teams

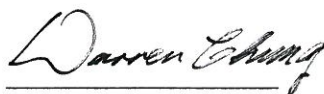

Jesuit Education provides our students not only just with resources for academic excellence but also an environment for personal development and character formation. Our School puts a high premium on sports development for students. The one that stood out was the opening of our new football pitch, which brings new hope in attracting vigorous engagement in sports among students. With support from different parties in the past few years, our School has been able to provide professional training to help students pursue new heights in different sports. This year, 5 school sports teams are competing in Division One of the Inter-School Competitions. Also, our Athletic Team and Swimming Team have earned a high rank in the competitions with new records.

To maintain the professional training for young Wahyanites, our School needs your generous support. The annual expenditure for sport development is around \$1,000,000 (refer to table 1), including spending such as coaching fees for training, entry fees for competitions, uniform for School Teams, ground-booking fees and overseas training camp. Most of the above expenditure has been covered by an annual funding of around \$500,000 from Wah Yan One Family Foundation and annual grant of around \$250,000 from the government. We have tried very hard to search for subsidies from independent donors or parties to cover the remaining part in the few years, but we have found that it is not a sustainable way to support the sport development.

Bounded by limited resources, it is difficult to maintain a balanced budget for each and every one of the above items in the forthcoming years, and the prospect of burgeoning sports in our School is inevitably limited. Our target is to raise \$250,000 annually by monthly donation made from alumni and friends of Wah Yan. In the first year, we hope to receive a monthly donation of \$100 or more from 100 alumni. We hope to see 50 more alumni joining this fund-raising project in the second year and 20 more alumni in each coming year. To strengthen the bonding among alumni and current students, an annual gathering for donors, former members of School Teams and current students would be held every year. Our Sport Committee would update the recent situation of School Teams to the related parties by email circulations. Please return the reply slip on or before **30 September 2015**. Please call our Sport Teacher, Mr Tse Chun Ming at 6128-0445 if you need further information. This fund-raising project will serve as a sustainable support for our students. Let's join hands to work together for the betterment of our young Wahyanites.

With very best wishes,
