Dear Wahyanites,

Sportsmen's Reunion Dinner 2016

&

Sports Development Fund

With wholehearted devotion of our Sportsmen, Wah Yan College Kowloon has the privilege to enjoy a fruitful year in sports excellence. However, despite selfless efforts, it is growingly difficult for WYK to financially cope with the increasing sports development expenditure on one hand, and the unstable streams of donations towards sports on the other. Hence, we request your brotherly presence at the Sportsmen's Reunion Dinner on **9 July 2016**, and our Sustainable Development Scheme for Sports Teams would be introduced along with sharing sessions from our past and current Sportsmen.

Although WYK has probably enjoyed one of her most fruitful years in sports excellence, success doesn't come easily: in the last few years, our school has been struggling to gather sufficient resources for training and to maintain convincing positions in all divisions. In the forthcoming years, it is expected to be increasingly difficult to maintain a balanced budget and the prospect of our burgeoning sports would be inevitably undermined. Currently the annual expenditure for sports development is around \$1,000,000, including spending on essential items such as coaching, training equipment, overseas training camps and competition enrollments. While most of these items were previously covered by annual funding from Wah Yan One Family Foundation and annual grant from the government, these sources of income have dwindled and become less reliable over time. Therefore we believe that WYK deserves a more sustainable way to provide funding specifically for Sports Development. Our target is to raise \$250,000 annually by monthly donations from alumni and friends of Wah Yan. One-off donations are also greatly welcomed.

Starting from 2016, the Sports Committee of WYK will organize the Sportsmen's Reunion Dinner annually. This year we will invite past and current WYK Sportsmen to share with us the importance of Sports to establish themselves as Men for and with others and how WYK prepares them. Our PE Teacher, Mr. Tse Chun Ming, will also give reports on the current status of School Teams. The reunion would continuously strengthen bonding between alumni and current members of School Teams in the future.
