Into the Centenary

Since the founding of Wah Yan College, Kowloon by Mr. Peter Tsui in 1924, the selfless love and support of our Jesuits and teachers have given Wahyanites an opportunity of social upward mobility, shaping many of us into leaders in different fields all over the world. Our fond memories of the School, buoyant through rain and shine, cemented the kinship of Wahyanites that transcends space and time.

In 2024, the School is celebrating her Centennial Anniversary, with a view to steering our young Wahyanites to new heights through quality Jesuit education, values and the spirit of being “men for and with others” as well as innovative teaching programmes.

With the theme “蒙恩百載·格致傳薪 - Ad Majorem Dei Gloriam (AMDG)”, amplifying the motto of the Society of Jesus, we aim to gather Wahyanites and friends of different generations to witness what the School has achieved over the last century, and how and where we journey into the next. A range of meaningful events are in the pipeline, which will be launched from September 2024 onwards. Renowned scholars, distinguished guests and alumni will be invited to join these events to share our joy and gratitude

together.

In particular, on behalf of the Gala Dinner Organising Committee, we would like to call for your gracious support for the good of our future Wahyanites. Your participation and generosity will enable the School to continue its mission in nurturing leaders for our society. It is also a once-in-a-lifetime rendezvous with our beloved schoolmates and teachers we should not miss

Please contact wyk100galadinner@wyk.edu.hk / **2384 1038** if you need further information and thank you for supporting Wah Yan!

Here is the key visual for the Centenary. The logo is comprised of the “frame” and “fabrics”:

The Frame:
“100” & “WYK”

The Fabrics:
Elements specific to WYK and architectural motifs on campus

Over the course of 100 years, WYK has brought us all together – our founder, Mr Peter TSUI, our predecessors, our Jesuit Fathers, generations of Wahyanites, and friends of Wah Yan from all walks of life. Housed under the same roof, we share a lot of fond memories. Years and even decades after graduation, we are as closely-knitted as ever in the name of Wah Yan, the kinship that we share always transcends spatial and temporal limits.

Ad Majorem Dei Gloriam (AMDG) is the motto of the Society of Jesus – what we anchor ourselves to over the past 100 years, and what steers us through as we journey into the next.

WYK would like to thank all the participants who responded to its call for submission back in May 2023. Many marvelous designs were received, and the quality works were delivered by alumni of classes as early as the 1960s, to the more recent 2010s. Most importantly, through this exercise, our greatest joy is connecting and reconnecting as many generations of Wahyanties as possible with their talents, as well as their love to their alma mater at this opportune moment.

In particular, we would like to express our gratitude to our dedicated creative team – Eric LAU of Class 2003, our creative director, and Inness CHENG and Aaron YU of Class 2009, designers of this key visual.

WY Pacemaker in Hong Kong Marathon

全賴你們的支持和參與，WY Pacemaker團體隊今天成功完成了香港馬拉松比賽。

令人鼓舞的是，我們的校友在半馬比賽中獲得了第二名，同時有至少5名成員於3小時內完成了全馬（又稱“Sub 3”），籌款50萬元成功達標之餘，臨場更有港九兩華校友加入打氣。

沒有兩所華仁、華仁仔、家長，華仁之友及TeamSolo教練等的支持，我們不可能實現這個非凡的里程碑，這正體現了華仁「與人同行」的精神。

謹此，再次由衷感謝所有支持 Pacemaker活動的人，我們在2月內將舉辦分享會，來年亦會繼續組織更好玩、有趣的活動，詳情敬請留意公佈！謝謝支持華仁。

Sharing from Public Sector Doctor Alumni

Our utmost gratitude to our eminent doctor alumni in the public medical sector for coming home on 27 January to meet their younger brothers at WYK for a sincere sharing and fruitful panel discussions on Postgraduate Medical Education, Specialty Training and Career Pathways in Hospital Authority, universities and Department of Health.

Organised by a core group of WYK Medical Students at HKU led by Andy KAN (WYK19), Wanyanites gained invaluable insights into a career in the public medical sector and how to excel as competent clinicians and leaders in medicine, and gained a lot of wisdom especially in the panel discussions led by Dr Tony KO Pat-sing (WYK83), Dr Raymond HO Lei-ming (WYK83), Prof LAM Ching-wan (WYK84), Prof William WONG Chi-wai (WYK84), Dr Simon CHEUNG Chi-yuen (WYK87), Dr WOO Yu-cho (WYK87), Dr Rock LEUNG Yuk-yan (WYK93), Dr Steven SIU Wai-kwan (WYK95), Dr CHAN Shing-po (WYK13). We shall always aim high and strive for excellence – always excelling for the greater good in the spirit of Men for and with Others.

On top of that, we were particularly touched and impressed by the strong Wah Yan brotherhood among our doctor alumni, exemplified by how they collaborate and support one another throughout their career, also how they contribute to nurturing the next generations of medical enthusiasts. We shall carry on the tradition and foster the bonding between doctor alumni, medical student alumni, current WYK students and the School – once a Wahyanite, forever a Wahyanite.
