## CARDINAL STEPHEN CHOW MEETS WITH POPE LEO XIV

Cardinal Stephen Chow, S.J., bishop of Hong Kong, met with Pope Leo XIV on 2<sup>nd</sup> September 2025 at the Apostolic Palace in the Vatican for an in-depth exchange on the situation of the Church in China.

This meeting marked the first in-depth encounter between the Cardinal and the newly elected Pope Leo XIV since the Cardinal took part in the conclave at the Vatican in May this year.

According to the Catholic Diocese of Hong Kong Weekly Newspaper, Cardinal Chow affirmed that this meeting allowed them to deepen their mutual understanding. He shared his views on the Church and the situation of the Church in China and Hong Kong, helping the Pope gain a better understanding of the current state of Sino-Vatican relations.

The Cardinal said that he believes that the Pope continuously seeks to understand the realities of the Church in China and is eager to listen to various voices.

Cardinal Chow expressed his gratefulness to share more diverse information with the Pope to enhance his understanding of issues related to China. He noted that the Pope, having previously served as the Prior General of the Order of Saint Augustine and having visited mainland China, has some familiarity with the country. The Pope valued this opportunity for their meeting and the insights gained.

Cardinal Chow stated that Pope Leo XIV is currently willing to continue the late Pope Francis' approach toward China. He recognizes the importance of dialogue between the Church and the mainland government and prioritises addressing issues in Sino-Vatican relations through conversation.
