ISSUE 7 2025/26 | JAN 2026

Runners from Wah Yan have successfully completed the Hong Kong Marathon under clear skies on 18th January 2026. Many Wah Yan students and friends gathered at G Pavilion, filling the venue with laughter, friendship and brotherhood.

Thanks to the support from alumni, the Past Students' Associations of both Wah Yan Colleges and friends, the Wah Yan One Family Foundation (WYOFF) successfully raised \$150,000 to support the sports development of the two schools.

WYOFF is also very grateful to the volunteer teachers, students and parents who took care of the runners' personal belongings during the race.

A special thanks to Wah Yan Pacemaker, which has organised over 20 training sessions since last April, passing on the spirit of running and camaraderie to the current Wah Yan students.

HONG KONG MARATHON

Over 40 runners, Wah Yan alumni, and friends gathered at Wah Yan College, Kowloon for an inspiring and joyous marathon seminar on 11th January 2026.

We were honored to invite our school principal Ms. Cecilia Chow, Mr. Mo Yuen, former member of the Hong Kong handball team and current fitness coach, Joshua Li (Class of 2010) and Ares Shum (Class of 2015), two professional physiotherapists to join the seminar.

Ms. Chow delivered the opening speech, encouraging everyone to view long-distance running as a lifelong journey of self-improvement, sharing her personal experience of progressing from 10 kilometers to a half marathon.

Following that, the three experts — Mo Sir, Joshua, and Ares shared practical training advice and injury prevention tips. This was followed by a report from the Wah Yan Pacemaker alumni team.

The entire seminar was highly interactive, rich in content, and filled with laughter and strong brotherhood.

The Wah Yan One Family Foundation presented a check for \$150,000 to Ms. Chow on the spot to support the sports development of the two Wah Yans.

We sincerely thank all participants and have already begun preparing for activities in 2027, hoping to make them even more exciting!

Photos from the Hong Kong Marathon have been uploaded, and everyone is welcome to share their own pictures via the following QR code. Beautiful running tees and sports goodie bags are still available, so please consider donating to continue supporting Wah Yan.

WYOFF will participate in the 2027 Standard Chartered Hong Kong Marathon and is committed to improving arrangements.

S.1 Admission Sharing Session 2026

The S.1 admission sharing session was held on 24th January 2026, for alumni parents who have applied or wish to apply for admission to Wah Yan College, Kowloon, for their sons. This event provided a valuable opportunity for parents to gain insights into the application process and the unique environment of the school.

More than 30 alumni parents and prospective students attended the session. During the session, attendees had the chance to hear from school representatives who shared information about the curriculum, extracurricular activities etc.

Overall, the session was a resounding success, reinforcing the strong ties between the school and its alumni community, while helping families navigate the important decision of selecting the right educational path for their sons.
